| Important Questions   | Answers  | Why This Matters  |
|---|--|---|
| What is the overall <u>deductible</u> ?                       | Medical & Prescription Drug Deductible: Preferred Deductible: \$700 member /\$1,400 family Standard Deductible: \$1,400 member /\$2,800 family Benefits are administered on a calendar year basis.   | Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.  |
| Are there services covered before you meet your deductible?   | Yes. Preventive care, Tiers 1, 2, and 3 prescription drugs, provider office visits, Non-hospital affiliated facility day surgery, Non-hospital based laboratory and imaging, and Rehabilitation services, and Habilitation services are covered before you meet your deductible. | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered preventive services at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> . |
| Are there other <u>deductibles</u> for specific services?     | No.  | You don't have to meet <u>deductibles</u> for specific services.  |
| What is the <u>out-of-pocket limit</u> for this <u>plan</u> ? | Preferred Network: \$2,300 member /\$4,600 family<br>Standard Network: \$2,750 member /\$5,500 family  | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.   |

| Important Questions  | Answers  | Why This Matters  |
|--|--|---|
| What is not included in the <u>out-of-pocket</u> <u>limit?</u> | Pediatric Dental Care, <u>premiums</u> , <u>balance-billing</u> charges, and health care this <u>plan</u> doesn't cover. | Even though you pay these expenses, they don't count toward the <a href="out-of-pocket limit">out-of-pocket limit</a> .   |
| Will you pay less if you use a <u>network provider</u> ?       | Yes. See https://www.harvardpilgrim.org/public/find-a-provider or call 1-888-333-4742 for a list of preferred providers. | This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance-billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?     | Yes  | This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> .  |

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
